DIARY NOTES

DD/S [REDACTED]

4 June 1959

1. I met with Ed Saunders, Larry Houston, Shef Edwards and Gordon Stewart to discuss a simplified procedure for the employment of consultants. I believe that we agreed on a procedure which would avoid the issuance of an annual contract and the ensuing notifications to the consultants that their contracts were renewed, terminated, etc. Gordon is to prepare, without delay, a memorandum to the Director proposing this new procedure. 2. Ed Saunders, Dick Bissell, Bob Amory and I met with the Director concerning our Budget Projection through Fiscal Year 1963. The Director approved of submitting an over-all figure of [REDACTED] for Fiscal Year 1961 and [REDACTED] for Fiscal Years 1962 and 1963. 25X1A1a

4. Jim Garrison was in to see me:

a. He advised that he had almost \$2 million worth of requisitions on his desk for which the requisitioning components stated that they had property authorization but for which he does not have money. (I have asked Ed Saunders to get in touch with him and get this straightened out without delay.)

b. He requested a reclamor on his Career Service ceiling and said he figured that he had lost twelve positions. (I will ask Gordon Stewart to get together with him on this matter.)

c. He asked me what had ever happened to the rental paper on "housing [REDACTED]" and I told him that I did not know but would find out. 25X1A9a

5. [REDACTED] telephoned to say that [REDACTED] had suggested to him that General Cabell meet with the Department of Defense on our personnel reimbursement policy. He thought that I might like to do this in lieu of asking General Cabell to do it and felt sure that the General would approve. I told him that I would be glad to do it and that I would instruct Chuck accordingly.
